[bpompe@gershman.com](mailto:bpompe@gershman.com)

Bruce Pompe is responsible for organizational leadership, supervision of all company departments, new business development and management of client relationships and transactions.

Prior to joining the firm in 1985, Bruce gained extensive experience managing downtown and suburban office buildings as director of properties for the Michelson Organization and as director and vice president of property management for the Broadmoor Group. In addition, Bruce is experienced in all facets of real estate management and brokerage including office, industrial, retail and multi-family (residential) property management and supervision. Bruce has represented many institutional and local commercial building owners and with investment and commercial brokerage sales, acquisitions, and tenant representation.
