Sue Strubinger's responsibilities include overseeing property management accounting and operations for select properties. Sue assists senior management with overall management operations as well as strategic planning.

Her experience includes portfolio management for a major real estate investor. In this role, Sue oversaw all areas of accounting, budgeting and reporting related to various real estate investments. She provided weekly progress reports to the properties' owners and the company's property management team.

Previously, she worked at accounting firms such as Arthur Young, Rubin Brown Gornstein, and McGladrey Pullen, specializing in audit and tax services for 15 years, with emphasis in real estate accounting.
