Margie Thompson is the Director of Information Services. She has 23 years of experience in residential and commercial real estate. Her responsibilities include research and analysis of current leasing and sales activities, proposal and presentation development, public relations, advertising, overseeing all marketing activities and website design.

Margie specializes in gathering, analyzing and reporting research information, including vacancy and absorption trends. Her computer skills include real estate, graphic design and database applications.

Previously, Margie served as Director of Information, Technology & Marketing for Gundaker Commercial Group. As ITM Director, she developed presentation materials, informational databases, and provided technology training. She tracked and analyzed office and industrial market conditions, as well as financial analysis.
